Lunch Cruise

The Cruising Club, the original PGICA boating club founded in the 1997-98 season, welcomes all PGICA members. We are one of the friendliest clubs with open membership -- never a waiting list or mandatory requirements! We are also the only boating club that does not require you to own your own boat. Our members are happy to have other members join them on their boats!

Meetings

Quarterly in January, March, October & December at the PGI Civic Association

Weekly (In Season) – Happy Hours every Tuesday from 5-7 pm at St. Andrews South Golf Club

Communications

Check out our website www.pgicruisingclub.org. The site has meeting and activity schedules, events and more! Emails are sent to members with updates on various club functions, event sign-ups and news.
