The Cruising Club, the original PGICA boating club founded in 1997, welcomes all PGICA members. We are one of the friendliest clubs with open membership -- never a waiting list or mandatory requirements! We are also the only boating club that does not require you to own your own boat. Our members are happy to have other members join them on their boats!

The Cruising Club gives boating enthusiasts of the PGI Civic Association the opportunity to meet with others who have common interests in boating and socializing

Welcome Aboard!

Activities

On the Water

- Lunch Cruises – a great lunch at an interesting port of call. There are many great restaurants a short hour away!
- Poker Run – join the boats sailing through the canals to collect poker hands at members' docks followed by informal faire at the Civic Association to reveal the lucky winners!
- Overnights(?) – Have a larger boat and feel a little more ambitious? Let's get together and set one up! We're always interested in new, exciting adventures. This is not a routine activity for us, but if you have an idea for an interesting port of call, let's make it happen!
